

About Mimi Komito, President Mimi was born in Stockholm, Sweden and moved to California (south of San Francisco) in 1980. She has been an Incline homeowner since 1988, and a year around resident since 1992. Mimi went through Master Gardener training 1992, through the Cooperative Extension at UNR, and became a certified Master Gardener the following year. She has been active with the Master Gardener group at Lake Tahoe since then. Mimi became involved with the North Lake Tahoe Demonstration Garden in 1996 and helped plan and plant the garden at both its previous and current location. Mimi is the President of the NLTDG Board of Trustees. She has been teaching classes on lake friendly high altitude gardening, and gardening with native plants at the Demonstration garden for the past 10 years. She is also an avid home gardener.
